

Hello!

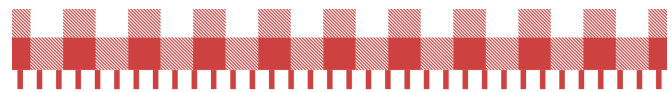

I am very happy and blessed to serve as the Director for the For our Future campaign this Fall at Gethsemane. We are one month into the campaign and I hope everyone has been able to hear about the campaign, review the brochure, ask questions, and pick up the daily prayer guide created by our Prayer Team.

We completed construction of our new worship center in 2017 and the For our Future campaign is a continuation of our unified mission here at Gethsemane Church - To Know Jesus More and Make Him More Known. Through this campaign we will make investments in our Gethsemane Kids and Students ministries in addition to completing needed improvements to our preschool facilities. These investments will ensure that we continue to be a place that can welcome young families and their children and meet the growing need for preschool Christian education in our area. Both our kids and student ministries as well as our preschool are ways we, as a church, can make Jesus more known to families in our community.

Gethsemane is a church of prayer. Please continue to pray for our campaign leaders, volunteers, church and school staff and neighbors as we consider these opportunities God has for us and our community.

I hope that each of you will pray about your family's involvement in this campaign and how you can help continue to tell the coming generation about God's love for us. Thank you and if you have any questions, you can reach out to me at [tarnold@gctempe.org](mailto:tarnold@gctempe.org) or connect with any of our campaign team members.

Tony Arnold, Campaign Director

### Prayer for For Our Future

*"We will not hide these truths from our children, but will tell the next generation about the glorious deeds of the Lord, about His power and mighty wonders." Psalm 78:4*

Gracious Lord, you are unchanging and we can rely upon your promise of eternal life with you in heaven. We praise you for your steadfast love and protection. We look to the future on how to fulfill Jesus' great commission from Mark 16:15: "Go into all the world and preach the good news to all creation." Father in Heaven, guide us with our vision to reach into the local community to provide a safe and inviting space for kids and students. Through this new space, bless Gethsemane's outreach to fulfill Jesus' great commission to share the Gospel. Lord of second chances, lead your chosen to Gethsemane. Raise up faithful volunteers that will provide a faith filled supportive and loving environment in accordance with your will and bless all who come with the joy that passes all understanding.

We ask this in the power of Jesus Christ. Amen.
